

Better Feet®

callus softener

200 ml / 6.8 oz

An essential tool designed for and trusted by advanced foot care professionals & clinicians

HOW TO USE

Apply to the affected area as needed. Spray from a short distance (about 10 cm) and let penetrate for up to 3 minutes. For stubborn cases, apply treatment a second time. Wipe off excess solution with clean cloth.

To help eliminate debris buildup in bits and burrs (when using an e-file or drill) ensure skin is on the dry side before using. Rinse-free formula.

IMPORTANT INGREDIENTS

10% Urea, Aqua, Urea, Lactic Acid, Sodium Hydroxide, Panthenol, Allantoin, Phenoxyethanol, Ethylhexylglycerin.

FEATURES

FOR PROFESSIONAL USE ONLY

With 10% Urea for optimal softening and super-boosted with Lactic Acid and Allantoin for an unbeatable Triple Effect³.

Gently and effectively softens calluses, corns, cuticles, fissures, xeroderma, hyperkeratosis, rhagades, nails, and other related forms of hardened, built-up skin on feet.

Helps to moisturize thickened skin.

Hygienic application significantly reduces processing time.

- FAST ACTING
- WITHOUT HARSH INGREDIENTS
- DERMATOLOGICALLY TESTED
- FRAGRANCE & DYE FREE

FOR USE ON

Cuticles, hardened thick skin, corns, rough, scaly skin, cracks, fissures, rhagades, toenails, fingernails, cornified buildup, etc.

FOR PROFESSIONAL USE ONLY

USE AS DIRECTED
